Embarking on the Next Chapter: Shaping Futures with Purpose

Greetings to our cherished students, parents, and the entire Children Welfare Centre community, As we stand at the threshold of another academic year, I am filled with gratitude and enthusiasm while reflecting on the journey we have traversed together. Life's stage continues to unfold, and each one of us plays a unique role in this magnificent drama of existence. Every experience, challenge, and achievement contributes to shaping individuals who are prepared to navigate an ever-evolving world with confidence and purpose.

The past year, with its challenges and triumphs, has been a testament to our collective resilience. Our institution, a nurturing ground for brilliance, has embraced the winds of change with open arms. In a world increasingly shaped by technological advancements, artificial intelligence, and global interconnectedness, adaptability has become one of the most valuable life skills. I am immensely proud to share that the spirit of innovation, scientific temperament, and continuous learning has remained at the forefront of our endeavours.

The year 2025 marks not only a continuation of our commitment to excellence but also a celebration of our response to the evolving landscape of education. The National Education Policy (NEP), a beacon of transformative change, has inspired us to refine our approach further. As we embrace its progressive ideals, we are aligning our vision to foster holistic development, experiential learning, critical thinking, creativity, and the individuality of each student. Our goal is to nurture young minds that are not only academically accomplished but also curious, responsible, and equipped to thrive in a rapidly changing global environment.

In the pursuit of knowledge, our institution has evolved into a dynamic hub for IT and technology-enabled learning. This metamorphosis aligns seamlessly with the demands of the modern world and equips our Gen-Next with essential digital competencies, technological literacy, and future-ready skills. As Artificial Intelligence and emerging technologies redefine industries and professions across the globe, we remain committed to empowering students with the knowledge, adaptability, and ethical understanding necessary to harness these advancements responsibly and effectively. Our success, however, extends beyond academic milestones. It is a testament to the collaborative efforts of our dedicated teachers, operational teams, associates, parents, and industry allies. Together, we have not only weathered storms but also celebrated numerous victories, creating an environment where excellence, innovation, and character development flourish side by side. As we navigate the seas of change, mental health has assumed a central role in our educational narrative. We are integrating mental wellness into mainstream education, recognizing that emotional resilience, well-being, and a sound mind form the foundation upon which meaningful learning and lifelong success are built.

The NEP's vision of a flexible, multidisciplinary, and innovative education system resonates deeply with our mission. It encourages us to cultivate scientific inquiry, problem-solving abilities, ethical values, and a growth mindset, enabling our students to become thoughtful leaders, responsible citizens, and contributors to a progressive and sustainable future.

Let us embark on this academic year with renewed zeal, embracing every opportunity for growth, discovery, and learning. Our commitment to creating a positive, future-focused, and empowering educational environment remains unwavering. Together, let us prepare our students not only for examinations and careers, but for life in an age of unprecedented technological transformation and global possibilities.

Thank you for being an integral part of our journey.

ABOUT CHILDREN WELFARE CENTRE TRUST

A Legacy of Learning: Children Welfare Centre Trust's Commitment to Education

Quality education provides students the knowledge, skills, and confidence to reach their full potential. Children who are blessed with education of the highest quality qualify as better human beings and ensure that the message of universal citizenship remains strong. A few committed people pledged their efforts and wisdom to set up Children Welfare Centre Trust with this very intention. The Institution offers advanced education programs within the ever expanding geographical and cosmopolitan extent of the city. Registered under the Public Trust Act, 1950 it caters to the holistic development of every student and strives to ensure that the objectives of education percolate into every strata of society.

Children Welfare Centre, currently in its 46th year of existence, continues its sustained mission by making laudable inroads in the arena of education.

The progress and success of its students and alumni is testimony to the tremendous efforts of the founder members and teachers in preparing them for lifelong learning with a positive approach. The relationship forged with the parents and the society at large remains the edifice for the progress made by the Institution over the years.

Located in the bustling suburban locality of Andheri, Children Welfare Centre is well connected with the rest of the city. The institution is well fenced and provides a safe and tranquil ambience which is most conducive for the purpose of learning. It has a fully functional Pre-Primary school which uses a progressive educational model. The children have access to a definite path for academic progression from the primary and secondary school to the junior and degree college. The Centre admits students who wish to pursue graduation in streams such as Commerce, Management, Mass Media, Accounting and Finance. Recognizing the need for training prospective teachers to impart quality education, the Trust has set up the Teacher's Training Centre under the B.Ed. program in Andheri, West in 2009. It has also set up the College of Law at Malad (West) in the same year. Moreover, the college has introduced LL.M. and Two Post Graduation Diploma Courses since 2022

The Institution boasts of infrastructure to suit contemporary teaching and learning needs. Well equipped with an inhouse science laboratory, the Centre also has computer labs, audio visual room, library, as well as recreational facilities. The concern of the management to provide the best facilities is evident from the clean and hygienically maintained rest rooms and canteen. More than 250 trained and proficient teachers contribute immensely to academic and personal development of students through mentoring and coaching. Each of them is equally responsible for building the values of honesty, respect and diligence in the students.

Children Welfare Centre has a proven track record that leads the present objectives towards better opportunities and prospects. It has been aptly rewarded for its performance. It was named the Best School in K-West Ward by the Education Department of Municipal Corporation of Greater Mumbai in the past. Mr. Ajay Kaul, the Honorary Principal of the Institution, was the recipient of the State Award for the Best Teacher in the year 2002-2003.

Children Welfare Centre is an ideal platform for the awe-inspiring force of more than 4000 registered students to spread their wings. With experience and better resources at hand, the institution has been conferred Autonomous status by the UGC and University of Mumbai from the academic year 2026-2027. The Management is also elated in stating that permission has been granted by the Govt. of Maharashtra to start Jr. College in Arts and Commerce streams at Malad (West) and also a school affiliated to CBSE Board has commenced in the same Institution. The moment of pride for the Trust is the commencement of an IB School at off Yari Road, Versova.

Additionally the Institution has started a Vocational Skills and Training Institute offering courses in Nursing Care, Pathology Technician, Radiology Technician, Yoga teacher, bifocal courses in Field Technician Computing & Peripherals and Junior Software Developer.

HOUSE SYSTEM

The House system is an essential aspect of school life. By its nature and operation, it fosters a spirit of co-operation and healthy competition and a sense of loyalty to the House and consequently to the institution. Most important the House system gives a focused approach to each student, and thus they are divided into four houses

GANDHI HOUSE

Patron : Mohandas Karamchand Gandhi

Motto : "Truth alone triumphs"

Colour : Yellow

Ideal : Truth and non-violence were two ideals very close to the heart of the great Mahatma.

The life of Mahatma Gandhi was a shining example of triumph of truth over the dark force of evil. He believed in the invincibility of truth. Secondly, it was through a non-violent struggle that he steered the nation to freedom from foreign rule.

A member of Gandhi House must always uphold truth in his life. Under no circumstances must he be willing to compromise or sacrifice the truth. If need be, he must be ready to give his life in order that truth might prevail.

In his day to day dealing with his fellow men, he must avoid violence in resolving conflicts. Like the Mahatma he must always uphold the principles of ahimsa and non-violence.

NEHRU HOUSE

Patron : Pandit Jawaharlal Nehru

Motto : "My Country First and Last"

Colour : Blue

Ideal : Pandit Jawaharlal Nehru, the architect of modern India had a touch of grace, dignity and respect for human freedom and individuality.

He was an unwavering supporter of India as a secular, democratic republic.

During his lifetime he was very much concerned about the poverty and backwardness of India. He strove for the establishment of a just order in which the glaring difference between the rich and the poor would be wiped out.

He wanted a society where every individual would have the equality of opportunity to develop himself to the full, irrespective of his caste, creed or community. Like Nehru every member of Nehru House must love India, share the great leader's concern for the poor and the oppressed and take a keen interest in the progress of the nation.

HOUSE SYSTEM

SHIVAJI HOUSE

Patron : Chhatrapati Shivaji Maharaj

Motto : "The Password is Courage"

Colour : Red

Ideal : Shivaji was a man of exceptional bravery and valour. In face of terrible odds, he defeated his enemies and won many a glorious battle. No obstacle seemed unsurmountable.

True to his patron a member of Shivaji House is expected to show in his life and conduct great courage and valour.

He must not shirk difficulties or adopt the easy way out. He must courageously face the hard and the difficult and overcome the obstacles in his path.

He thought ahead of times and was a true visionary. In his private life, his moral virtues were exceptionally high. His thoughts and deeds were inspired by the teachings of his mother Jijabai, teacher Dadaji Konddev.

TAGORE HOUSE

Patron : Rabindranath Tagore

Motto : "All Men are Brothers"

Colour : Green

Ideal : Rabindranath Tagore affirmed the Universal Brotherhood of man. One of the primary aims of Visva Bharti, the University Tagore founded, was the establishment of a living relationship between East and west, to promote intercultural, inter racial and inter religious good will and understanding.

A member of Tagore House must strive for the realization of this lofty ideal of the great poet. He must never be narrow in thought, word or action.

He must work for mutual understanding and friendship between different cultural, religious and national groups so that all men may minimise their differences and realize their oneness as members of the same human family.

For the smooth functioning of the School system the House Captains are appointed to monitor their respective houses. The prefects lead the students by their example. The investiture ceremony that symbolizes their formal appointments is a solemn ceremony held in the first few weeks of the beginning of the new academic year. The Prefects take the oath of carrying out their duties diligently.

Students are awarded House points by their respective house teachers for their active participation and achievements in all area of curriculum and co-curricular activities at the end of each year. The House cup is awarded to the House securing the maximum number of points in the particular academic year.
